Manager and Head Coach Wilson and Assistant Coach Norris are giving the several contestants for the different positions a thorougr workout each day and the best man for each position, without partiality will be in the line up April 11th.

The regulars of last year, will have to work to hold their old positions. Several players of ability have enterseveral players of ability have emer-ed school since last year, one being Smith, the six-foot-two-inch south paw from Somerset, who is expected to mow down the opposing batters with ease. He has plenty of smoke and an assortment of curves.

The boys who are trying for the team are as follows: Catchers Spoonamore, Woods and C. Cash; First base, Shanks, Coleman and Tucker; second base, S. Embry and Mobley; third base, Perkins and S. Anderson; short, E. Anderson and S. Hill, J. T. Embry, right field; Grimes, Hamilton, C. Hill, Huffman, Brown and Spoonamore; center field, Carter, H. Cash, Brady and Tanner; left field, Warner, Reinhart, Perry and Sampson; pitchers, S. Embry, Hocker, Lefphew, Smith and Norbry, Hocker, Lefphew, Smith and Norris. With Norris to pitch the college
games and Embry, Smith, Lefphew and
Hocker in the High School contests,
Stanford should be able to hold her

Entered at the postoffice at Stanford as Why Are These Three to be Appointed

When the Glenn-Green insurance bill, which has produced such havoc over the state, was pending in the House, we introduced an amendment which provided that no member of the Legislature which might pass the bill, should be eligible to hold any office or appointment under the State Insur-ance Board for a period of three years after the passage of the bill. Charges had been made that the politicians be-hind the bill planned to reward many hind the bill planned to reward many of the members who would vote for the bill with fat jobs to be paid for out of the money raised by the increased tax on the insurance companies. We had hoped that the House would adopt our amendment, for it would indicate that the membership was entirely above being influenced to pass the measure by any such a subtle form of bribery. By a vote of 41 to 37, the House defeated our amendment, however. Now comes a Lexington paper with the apparently authorized statement that Auditor Henry Bosworth, who was one of the heief backers of the bill, will appoint a committee of three persons as special examiners to make an inquiry into the business of fire insurance, and esbusiness of fire insurance, and especially of those companies which have ignored the order of the insurance board, to show why they have suspended business in the state. The men who are named by the Lexington paper, are Frank C. Green, who was Representative from Carroll county, Glov-

Lean county and John C. Duffy, Re-presentative from Christian county. We hope that the report published in the paper referred to is untrue. The roll call shows that each of these men voted against our amendment and af-terward voted for the insurance bill.

Change in Road Law Now Effective Gov McCreary this week signed the road bill which makes the road enginroad bill which makes the road engin-eer system optional with each county in the state. This puts the control of the road system of each county directly into the hands of the fiscal court, and it is practically a certainty that the Lincoln county fiscal court will see to it that the dirt roads are in the future worked by the men who live on them and that they are allowed ive on them and that they are allowed to pay out their poll taxes by such work.

The people who know Garnett best won't swallow any other than the control of the swallow any such stuff as Goebel is handing out in his open letter to the people. We have the greatest admir-ation for Goebel and deeply respect his veneration for his brother's memory and the principles for which he fought and died, but are afraid that he is per-mitting his zeal to become fanatical. We have heard it intimated that while Goebel hates the railroads with all the venom of his being, he is a partner in another trust which does Kentucky far nore harm-the whisky trust-and that he has never been known to open his mouth against it or any of its crea-tures or champions. Winter's Chills **Breed Kidney Ills**

Chilly, damp, changing weather is hard on the kidneys. Even more irritating are colds, grip, pneumonia, tonsilitis, quinsy and other infections. The kidneys get congested and inflamed, and this causes backache and disordered kidney action. serious in its latter stages, kidney disease is not hard to conquer if a good kidney remedy is used when the first signs of kidney trouble are noticed.

The best recommended kidney remedy in the world is Doan's Kidney Pills. You hear it everywhere. Get a box.

Stanford People Testify

Spring is Breaking; Backs are Aching

Backache is often the first sign of some form of kidney disease that has been coming on for months. Look for the other signs;—lame back, sharp pains when stooping or lifting, dizzy spells, nervousness or despondency, with irregular, painful or distressing action of the kidneys; if these signs exist, decide that the kidneys need attention, ere the trouble turns to gravel, dropsy or Bright's disease.

Read this home testimony and then give Doan's Kidney Pills a trial.

Stanford Cases Self-Told

Whitley Avenue

D. C. Dychouse, Whitley avenue, Stanford, says: "My back was so sore and painful that it was hard for me to get around for a few days at a time. I tried everything but did not seem to get anything that would bring me relief until I procured Doan's Kidney Pills at Shugars & Tanner's drug store. By the time I had finished three boxes, the pain in my back left and I felt better in every way."

Lancaster Street

Mrs. S. J. Hubble, Lancaster St., Stanford, says: "My kidneys had been long troublesome. My back ached continuously, and sometimes was so lame I could not bend over without a great effort. After using Doan's Kidney Pills, my kidneys became normal and the backache left. This remedy toned up by whole system and I have since enjoyed good health.'

Whitley Avenue

J. T. Spoonamore, Whitley avenue, Stanford says: "Four years ago I was down with my back and I could not sleep or lift. The kidney secretions were too frequent in passage and caused me a great deal of annoyance. I tried a dozen different remedies but did not get any bene it.

Main Street

John H. Wren, E. Main St., Stanford, says: "Off and on for several years I had severe attacks of lame back Often I did work that required stooping and at such times the backache became much worse. There was also a too frequent desire to pass the kidney secretions both day and night. Doan's Kidney Pills relieved me. They have never failed to benefit me since then when I have taken them."

Lancaster Pike

W. H. Mershon, Lancaster Pike, Stanford, says: "I was troubled some time ago by an acute attack of kidney complaint. My back ached constantly and I had pains through my loins. I felt languid and tired easily. I took a box of Doan's Kidney Pills and they fixed me up all right, the second box practically cured me."

Stanford

B. Holderman, Stanford, says: "! used Doan's Kidney Pills and they proved to be just as good as advertised and I recommend them. My kidneys were weak and I had backache. Hearing Doan's Kidney Pills highly praised, I used them and they relieved

Never before in the history of ready-to-wear garments has there been such an abrupt and complete change in style as this season. The Tailored

suits of today resemble in no way the suits of yesterday. Our buying of Suits for this season was mostly confined to single garments of a style, thus insuring you a wide range as well as individuality in

We will have on sale tomorrow over three hundred of these beautiful garments, each one a distinct model and fully up to our well known stan

The draped, three-tier-flounce and bustle effects predominate. These are in new and attractive materials especially suited for this character of garments such as Moire Silk, Taffeta, Silk Bengaline Gaberdine,, Wool Crepe, Etc., in a wide range of newest Spring colors and black.

Suit Prices Range from \$15.00 to \$55.00

The New Coats and Dresses

The new style in "Printzess" Coats are certainly things of beauty. A "Printzess" is-as you know-the very highest class coat made, as well as embodying the most style, though costing no more than less worthy makes.

Prices of "Printzess" Coats Range from \$10.00 to \$25.00

The New Dresses

are marvelously beautiful, and our present wonderful assortment is well worth seeing. They range from the little tub dresses of Voile or Linen at \$5.00 up to charming models in Taffeta Silk and Crepe de Chenes at \$45.00. A splendid range of Novelty dresses at \$10.00 to \$25.00.

ing because its quality determines our resistive power. With poor blood we are languid, susceptible to colds, lack natural energy and ambition, and the gradual decline of strength makes prompt and careful treatment necessary. Drugs or alcohol cannot make blood and must be avoided.

Scott's Emulsion is nature's grandest blood-maker because of its wholesome medical nourishment, so carefully predigested that it assimilate s without taxing digestion and quickly increases the red corpuscles of the blood, strengthens the organs and tissues and upbuilds the whole system.

Absolutely nothing compares with Scott's Emulsion to purify and entich the blood to overcome or avoid.

Regarding the wonderful curative merits of your Swamp-Root, I cannot say too much. After suffering severely for three years or more with severe pains caused by weak kidneys, I was finally induced to try Swamp-Root through a testimonial I read in one of the newspapers. I was in such a condition that I was obliged to arise from my bed six or eight times every night. I purchased a fifty-cent bottle and before it was used I felt so much relief that I purchased a one-dollar bottle and by the time this was taken the old pains had left my back and I could sleep the whole night through, I am a retired planter, 70 years of age, and owing to Dr. Kilmer's Swamp-Root, I am in the best of health and feel like a boy. I am always glad to recommend Swamp-Root to those who are in need of it. Sincerely yours, C. E. USSERY, Browersville, Ga. Personally appeared before me, this Sth day of September, 1909, C. E. Ussery, who subscribed the above statement and made oath that the same is truth in substance and in fact.
